Grayling Paddlers Defeat 13 Other Teams

Feldhauser - Fowler Canoe Team Wins Sturgeon River Classic

Two Grayling canoeists, who started in 11th position, won the 1954 Sturgeon River Canoe Race Sunday morning, paddling the grueling 35-mile river course in three hours, three minutes and 26 seconds.

Copping first place were Don Feldhauser and Bernie Fowler, winners of the Michigan canoe championship Canoe race down the Ausable River last year. The two were awarded trophies, first prize money of \$100 plus 30 percent of entry fees, and gold medals for their victory Sunday.

Fourteen two-man canoe teams started the race down the 35-mile river course. The starting gun sounded at 10:30 o'clock at the Corwell ranch near Wolverine and the contest ended at the old US-23 bridge at Indian River. Trophies and prizes were presented at the finish line.

Second and third place winners were Larry Kindell, of Mio, and Steve Kolonich, of Mio, who started in third position, and Jay Stephan and Ted Stephan of Grayling, who started in fourth position. Kindell and Kolonich completed the course in three hours, four minutes and 42 seconds. They received \$50 plus 20 percent of entry fees and silver medals.

The Stephens ran the course in three hours, five minutes and 39 seconds and won \$30 plus 10 percent entry fees and bronze medals.

Other entries finished as follows:

Fourth place—canoeists who

World Bowling Champs Roll Here Sunday

The world champions, Pfeiffer's team of Detroit will roll an exhibition match with the Pfeiffer team of Grayling at the Legion Alleys at 1:30 P. M. Sunday.

This match was arranged by Harry Krummel of Grayling and is an unusual opportunity for the people of this area to see the world's greatest bowlers in action.

Commission Sets "Any Deer" Season

Change Trout Law For 1955, Will Effect 3 Crawford County Streams

Last Friday the Michigan Conservation Commission set the third consecutive "any deer" season in the Northern Lower Peninsula and ordered several changes in the trout law for 1955 which will effect the Main Stream, South Branch and the North Branch of the Ausable River all in Crawford County as well as setting nearly two months of waterfowl shooting for the second year.

Hunting and fishing activities of several million Michigan sportsmen were vitally affected by decisions made on Friday by the conservation commission.

On some points principally those pertaining to new trout regulations, debate was hot and the vote divided.

The commission, in addition to the regular buck-bear season, Nov. 15-Nov. 30, authorized a one-day special hunt, by permits and in limited areas, on does and fawns as well as bucks.

It prescribed the 55-day migratory waterfowl season and set bag limits and regulations under which they may be taken. It fixed the seasons on ducks, geese and woodcock, also migratory birds.

It added more than 30 miles of popular trout water to the "flies only" list, beginning next spring.

It raised the minimum size limit on trout in the restricted sections to 10 inches except that in one instance it will be nine inches.

It cut the daily creel limit on brown trout from 10 to five on that section of the North Branch of the Ausable River where a "flies only" regulation has been in effect several years. In October the lower limit has applied only to Brook trout.

It voted to recommend to the legislature that the daily creel limit on trout from all streams be reduced from 10 to eight and to curtail the regular trout season by about three weeks, opening the second Saturday in May instead of the last Saturday in April and closing Labor Day instead of the second weekend in September.

The special "any deer" season—separate from the usual special season in Allegan county—will be Wednesday, Dec. 1, the day after the close of the regular buck season. Eighty-one thousand permits will be issued. Hunters will have to make application for these permits. Numbers will be drawn by lottery. Country open to hunting is all north of M-55 and divided into three zones or areas.

The commission again elected to take a continuous 55-day open season on waterfowl, instead of a split season which would add up to fewer days. The season, as last year, will open Oct. 1 and run through Nov. 23. Limit on ducks again will be four a day, eight in a season, but the wood duck this year in on the taboo list. Limit on geese will be, again, five in a day.

New Pastor At Free Methodist

Former Pastor Moving To Flint

On Saturday, August 14, the Rev. Wayne Root of Flint, Mich., was assigned to the Grayling Free Methodist Church. Rev. and Mrs. Root have served as assistant pastor of the Oak Street Free Methodist Church in Flint for the past year.

The former pastor, the Rev. Donald Cleveland was assigned to serve the Bassett Park Free Methodist Church in Flint. Because of his office as president of the young people's organization of the conference, it was necessary that he be more centrally located in the conference, which covers an area on the eastern half of Michigan from Pontiac to Cheboygan. His duties will include visiting each of the 60 young people's organizations throughout the conference, as well as planning several area youth rallies during the year.

The Rev. and Mrs. Cleveland express their thanks and appreciation to all those of the community who have helped to make their conference here so profitable and enjoyable. They desire that the new pastor and family be welcomed heartily and that the work of the church in Grayling may continue and grow to be a benefit to the community and to the Kingdom of God.

Men's Club Holds Memorial Service

The Men's Club of Michelson Memorial Church held an impressive service Sunday morning in memory of Carl Larson and Hal Farmer who passed away during the year.

Both men were charter members of the Men's Club.

The service was in charge of B. D. Engel who was assisted by Russell Allen and Thomas Robertson. The service was given by Rev. Frank W. Peters of Grayling.

The memorial anthem "Beautiful Isle of Somewhere" was sung by Don Gottho and he also sang "The Lord's Prayer" in response to the Pastoral Prayer which was given by Russell Allen.

The altar flowers were placed by the Men's Club in memory of their departed brothers and were given to their families at the close of the service.

Next Sunday, the guest minister will be Rev. Glenn D. D. O'Leary, of the Episcopal Church, who will be assisted by Bishop Marshall R. Reed of the Detroit Conference.

Festival of Harmony Mlo, August 21

If it's singing you like, you will want to be in Mio Saturday evening, August 21. The Festival of Harmony at the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America is sponsoring its fifth annual Festival of Harmony at the Community Building. There are at least nine quartets appearing in the program.

The time is 8:30 p. m.

County Dems To Enjoy Weiner Roast

The Crawford County Democratic Committee announces that there will be a Weiner Roast for county democrats to be held on the Manistee River. Wednesday evening, August 18, at eight o'clock, the attending are asked to meet at the Ausable Hotel, Fredrick between 7 and 7:30 P. M. and go in a group to the picnic site. Make arrangements for attending with Anita Lozon, Phone 4384 or Hazel Dunckley, Phone 3182.

At the recent County convention the following officers were elected for the new term: Frank Millikin of Roscommon, chairman; Violet Ferrell of Fredrick, vice-chairman; Anita Lozon, secretary; and L. L. Roberts, Grayling, treasurer.

Methodist Group Seeks Western Natural Wonders

The five person group from the Michelson Memorial Church who left here August 1 for a four week trip to Mexico City are viewing the natural wonders of the west on their trip, they report.

Rev. R. C. Puffer, Mrs. Gene Cornwall, Judy Larson, Rae Wheeler and Claudette Long are attending a National Evangelistic Campaign in the Mexican capital.

Following is the group's letter to the Avalanche:

Grand Canyon, Ariz., August 8, 1954.

Dear Editor Bob:

Our group thought you and the folks around Grayling would like to know we have traveled so far, 2,400 miles. We are spending Sunday at the Canyon. We will be back here in Mexico City about Thursday evening.

Our trip has been without any serious incidents. Have not seen a single wreck so far. Many funny things have occurred and have helped to strengthen the miles.

Among the things of special interest we have seen are the Lincoln Home and Tomb in Springfield, Ill. The Lake of the Ozarks in Missouri which is 124 miles long. We spent a night on the shore of this lake and all went swimming. In Dodge City we visited Boot Hill where many early residents are buried.

We have seen Sunset Crater, the Painted Desert which is beautiful and described and the Petrified Forest. We saw Pikes Peak at a distance and other peaks in the area. We traveled the Old Santa Fe Trail and saw the old wagon ruts which are still left at places.

Hardly an hour goes by that we do not see something beautiful or interesting.

Sincerely,
Gene, Judy, Rae, Claudette and R. C.

Weekend Brings Three Traffic Tickets

Saturday, Sunday and Monday found the City Police issuing a ticket each day. Williams of Grayling, Ray J. Williams of Grayling, was cited for reckless driving by Chief Harold Hatfield Jr., while Sunday found Officers Martin Kitchen and Clayton Gorman issuing a ticket to Allen M. Rich for failure to stop sign. His vehicle was stopped for the cause of a property damage accident, the officers said.

On Monday, Officer Kitchen issued a speeding ticket to Richard Wix, of Camp Grayling, 45 miles per hour in a marked 25 miles per hour zone.

All three drivers were to appear before Justice of the Peace Arthur Clough this week.

On Monday, Lee Charron, 18, of Fredrick was fined \$25 and court costs by Justice Clough after pleading guilty to a reckless driving charge. Charron had been ticketed late last week by Sheriff John A. Papendick.

SERVICES HELD FOR MRS. EMMA MACAULEY

Funeral services were held Saturday afternoon at two o'clock for Mrs. Emma MacAuley who succumbed at her home on August 12th after a long illness.

The Rev. Holle Luter officiated at Michelson Memorial Church. Mrs. June Taylor provided special music. Serving as pallbearers were Arthur Clough, Dr. J. F. Cook, Bill Joseph, Lorne Douglas, Don Gottho and Frank Bond. Interment was in Elmwood cemetery.

Mrs. MacAuley was born to Mr. and Mrs. Paul Steiner in Ansonia, Connecticut, March 9, 1891. She was educated in the Ansonia schools, then was graduated from New Haven Normal. She taught school for some years in Norwalk and Ansonia in Connecticut before moving to Detroit in 1920.

She taught for years in the Hamtramck and East Detroit High Schools. She attended Wayne University where she secured a Bachelor's degree in Arts degrees. Specializing in English, adult education, psychology and the problems of juvenile delinquency, she wrote her Master's thesis in this field, a study of the youth and surroundings of the Purple Gang that terrorized Detroit years back. She was very active in educational work and societies, was a member of the Wayne and University of Michigan Alumni Associations. She worked on her Doctor's degree at the University until ill health prevented the completion of this degree.

She was married to Max Von Mach, an engineer, in Detroit in 1922. They made their home in Rosedale Park, Detroit for years until both were compelled to retire because of ill health. They came to Grayling and purchased the beautiful home on Park Street which she loved so much. Mr. Von Mach preceded her in passing about five years ago.

In 1950 she was married in the Michelson Memorial Church to John A. B. MacAuley, present county superintendent of schools. He survives as do three sisters, Miss Lena Steiner, New Haven, Conn., Mrs. Burton Knudsen, Derby, Conn., and Mrs. John Leuchars, Huntington Park, Calif.

Mrs. MacAuley was past commander of the senior society. Friends are making a memorial fund for this under the direction of Mrs. Lorne Douglas. She was active also in the Matilda Bauman Circle of Michelson Memorial Church and the golf club auxiliary. A good Christian, she belonged to the Congregational Church from childhood in the East, and joined Michelson Memorial Church upon moving to Grayling. She also belonged to the Grayling Order of Eastern Stars. Members attended the final rites for Mrs. MacAuley in a group.

AUSTIN JENISON DIES IN LANSING

Austin Jenison, 61, prominent owner of a Lansing insurance agency, died Saturday afternoon at his home, after an illness of several months.

Mr. Jenison, who has been in Lansing since 1916, was born in Lansing in 1893, the son of Mr. and Mrs. O. A. Jenison. The late O. A. Jenison was founder of the Dexter-Jenison-Barry agency in 1899, one of the first insurance firms in the city. The grandfather, O. A. Jenison, Sr., was a pioneer settler in Lansing.

Until recently Mr. Jenison had maintained his own insurance agency, but last month he merged with the Dexter-Jenison-Barry agency to form the Jenison & Stratton Insurance agency. The firm occupied offices at 510 Bank of Lansing Building.

Mr. Jenison is survived by his widow, Margaret; one son, Capt. Daniel Jenison of Lansing; one daughter, Mrs. John Stratton of Lansing; and one sister, Mrs. Stanley Kallis of Sherman Oaks, Calif.; eight grandchildren, and one sister, Mrs. Robert Break of Lansing.

Funeral services were held on Monday at 2 p. m. at St. Paul's Episcopal Church. Rev. George Selway officiated with interment in Mt. Hope cemetery. The body remained at the Palmer-Bush Undertaking Home until Tuesday services Monday. The family requested that no flowers be delivered, but instead contributions be made to the American Cancer Society.

Mr. Jenison, a member of the Grayling Game Club, spent a good deal of time in Grayling and made many friends here. Mrs. Harold MacNeven, Larry Frymire and Mr. and Royale Wright were among those who attended the services for Mr. Jenison.

County GOP Elects Officers, Name Delegates

The County Convention of the Republican Party was held at the Crawford County Court House last Thursday evening and new officers were elected and delegates named to attend the State Convention to be held in Grand Rapids on August 21.

John H. Peterson who has been acting chairman was elected as chairman and a vice chairman is still to be selected. UHARLEY Russell was selected secretary-treasurer. Both new officers were elected by a unanimous vote.

Named as delegates to the State Convention were: Elmer A. Corbett, Arthur Howes and Ace Long. Named as the three alternates were John A. Papendick, Fred Welsh, Jr., and UHARLEY Russell.

Chairman Peterson announced that United States Senator Homer Ferguson would hold a ten county meeting at Shepperson Inn today (Thursday) at 1 P. M. Tentative plans were made for a banquet later in September at which an outstanding speaker would be presented.

Single Team Moves Into Golf Lead

D. Wertz and E. Swanson turned in the low team score for the week in the Grayling Golf Club's two man tournament and moved into first place all alone with 104½ points, and walked off with the first half championship.

Just a half point behind them in second place was the team of Willard Cornell and Charles Piper while third place was held by Melvin Welch and Lewis Stillwagon with 9 points.

Lloyd Gierke and Charles Muth with 8½ points held fourth place with Nels Olson and Eric Post in fifth with 7½ points. Sixth place at the halfway mark in the tournament was held by Tex Rickard and Grover Cason with 7 points. In seventh place with 6½ points was the team of Harvey Rowland and Roy Milnes. Eighth spot was divided by three teams each with 5½ points. They were Phil Payment and Leo Granger, Holger Hanson and George Quinn, and Phil Rogers and Frank Sheppard.

In ninth place three teams had 4½ points. They were Robert Neale and Spike MacNeven, Bill Joseph and Dr. Ed Rodda and James McGee and Bill Sorenson. The teams of Clair Melroy and Leo Welch and Dr. L. F. Hayes and Thomas Stancil divided tenth spot with 4 points each. In eleventh with 3½ points were the teams of Grover Cox and Dr. Hornbeck, George Morrison and J. Duffy, while in twelfth position was the team of Dr. J. P. Cook and Alfred J. Sorenson, with 3 points.

Next week, the second in the second round of 4 matches will see team 5 meeting team 7, 4 versus 8, 3 against 9, 2 meets 13, 1 against 14, 6 versus 18, 10 meets 17, 11 against 15 while 12 ties into team 16.

Kiwanis Club Notes

Guests of the Kiwanis Club of Grayling at their regular night meeting, held at the Lone Pine Inn were Major General Gordon A. MacDonald, Commanding General of the 48th Division; Brig. General Cecil J. Kennedy, Deputy Commanding General of the Division; Brig. General George M. Moran, Adjutant General of the State of Michigan; Major General Ralph A. Loveland, retired and Lt. Colonel Harry Northrop, USP and FO for Michigan.

General MacDonald spoke briefly to the club on the progress of the field training of the "Iron Fist" Division and of some of the future plans of the Michigan National Guard.

FREDERIC TO RAISE BOY SCOUT FUND

The Frederic Boy Scout Troop No. 78 was organized on October 13, 1953, under the sponsorship of the Frederic and Maple Forest Sportsmen's Club. Mr. Leo Post and Mr. Gene Kaiser were named scout leader and assistant scout leader. Mr. Carl Johnson, Mr. Norman Burnard, Mr. Maurice Alma, Mr. William Leng and Mr. Wesley J. Smith were named on the sponsoring committee.

Under the leadership of Mr. Leo Post and Mr. Gene Kaiser, the scout organization has become well established. The scouts have been fortunate to have such men for leaders.

Local leaders have been aided greatly by Mr. Ed Reising the Paul Bunyan Council Executive. Mr. Reising has spent much time helping the Frederic troop.

On August 28th, the people of Frederic will be called upon to donate toward the fund which pays the salaries of the workers, such as Mr. Reising, in the Paul Bunyan Council. This fund also helps to support the camp where our local scouts camped this summer. This is the only means by which this council raises money. The Paul Bunyan Council is necessary for the organization and is now necessary for the continued existence of our local scouts.

Bowling News

With only 3 weeks left in the summer league, the time has come to think about organizing for the winter league. Last week it was announced that the meeting for the men's league would be held on Thursday, August 12th, but it was discovered that this would interfere with the Thursday Night League's rolling. So it has been decided to have the meeting on Friday evening, August 20 at 8 o'clock at the City Legion Hall on Peninsular Avenue.

This meeting will be for team captains and bowlers of both the American and National Leagues. Please try to be present in order that the organization for the winter's schedule may be made with the least effort possible.

In the meantime, it won't hurt any bowler of either league to go over to the alleys and roll a line or two to get in shape for the big season ahead.

American and National League Presidents,
Melvin Lucksted and
Bob Dean

Albert Roberts arrived home Tuesday morning after spending three weeks on an inspection trip. His brother, Mr. and Mrs. Edward Roberts came to Grayling with him and are spending a week with Mr. and Mrs. Roberts.

Guard Training Nears Close

City Light Plant Shows Vast Increase In Production, Efficiency

The City of Grayling Municipal Light and Power plant has shown a tremendous increase in production and efficiency, it was revealed by figures presented to the City Council at their last meeting by City Manager Russell Carlson.

As of June, the City is carrying about 1,000 customers. The figure to be exact is 972. For these customers in June, the plant produced 562,261 kilowatt hours of electricity at a billing amount of \$13,775.96.

A good comparison is made by the total revenues from July 1, 1951 to June 30, 1952, a twelve month period showed \$86,325.47. A ten month period from July 1, 1952 to April 30, 1953 showed a total of \$85,603.49 while the 14 month period from April 20, 1953 to June 30, 1954 the City had a total revenue from its light plant of \$130,794.64. A closer comparison may be made by the average monthly income of the three periods. They were \$8,030.00; \$8,580.00 and \$9,350.00.

As to the efficiency of the plant, the same three periods showed that the cost to produce a kilowatt hour rose from 2 cents in the first period to .0216 in the second but dropped to .0177 in the third period mentioned.

Again the figures for the three periods showed that the cost of operation has risen but not in step with the increase in production. Here are the figures for the cost of an average month in each period as against the kilowatts produced: In the first period an average of 265,256 kilowatt hours were produced at an average cost of \$5,600.00. In the second period the average production was 288,180 and cost on the average of \$6,228.00. In the third period the average kilowatt hours produced were 355,735 at an average cost of \$6,800.00.

Getting right down to the fine points the average profit per month for each of the three periods dropped from \$2,740.62 in the first period to \$2,332.43 in the second period mentioned, but rose to a new high of \$3,032.27 in the third period. This is good news for the taxpayers.

The tabulation of figures reported to the City Council by City Manager Carlson shows a very large increase in demand for electric power and states that the demand seems to increase monthly. The increase is nearly double over the figures of 1950.

The best news yet for those using power produced by the City of Grayling was the flat prediction by City Manager that by next year it hoped to set a new table of rates for the city-produced power which would be lower than those of any producer in the area at the present time.

Another figure which is amazing is that the cost of administration under this new double load has actual decreased. During the period of 1951-52 the cost of administration averaged about \$841 per month. In the period 1952-53 it averaged \$988.63. However, in the past 14 months, the average cost of administration of the plant has been cut to \$725 per month. Costs of plant operation and maintenance of the distribution system during these three periods have shown increases most of which is the reflection of pay boosts to employees.

All five of the diesel engines in the City plant are used during each month and complete figures are kept on their use of fuel oil, lubricating oil as against their kilowatt hour production. Manager Carlson stated that all five engines were in top condition and one of them is producing more power at the present time than at anytime since it was installed at the plant.

The plant also affords employment now for 9 workers. Four right in the plant in operation, one maintenance man and four on the distribution system and for service calls. This is an increase of three during the three year period and yet operational cost per kilowatt hour has been reduced.

"Iron Fist" Unit Begin Homeward Trek Saturday

CAMP GRAYLING: — Some 9,300 officers and men of Michigan's "Iron Fist" division, Michigan National Guard, will leave home this coming week end as completing their eighth annual post-war summer field training. This number includes 118 component units from 52 separate communities.

During their two weeks camp the Guardsmen were inspected by their commander-in-chief, Gov. G. Mennen Williams on two occasions. His first visit was an opportunity to serve the training and the armed, artillery, infantry troops in their various ranges. His second trip brought him back for the final activities of the mid-week end and a chance to inspect the camp's facilities.

With all the formalities of the Governor's week end out of the way, the troops took to the field early Monday morning to undergo the stiffest portion of their day schedule. The gun crews of the five artillery gun battalions were up at 4:45 a. m. and prepared to move out some 20 to 25 miles from their tented quarters to the brush-covered Pickert artillery ranges to begin four days of service firing.

Shortly after day break the began echoing the booming of heavy mortars, machine guns, and other small arms firing on the training ranges at all levels in tactical maneuvers.

Beginning Tuesday, combined Command Post and Field exercises got underway for all of the troops of the Division. The field maneuver includes the movement of the entire division plus attached units into the field to provide training at all levels in tactical maneuvers, intelligence, administration and communications. Under simulated combat conditions, the troops will actually occupy a complete all requirements of a defensive position with a combat outpost line of resistance. Aggressor troops for the field exercise will be composed of personnel of the 46th Recon. Co. and 139th Inf. Div. Band of Lansing. Umpire personnel will be furnished by the Regular Army Advisor Group and augmented by Guard officers to observe and rate the various units in their performance of fulfilling their assigned mission.

One Killed In Two-Car Crash

One person was killed and four others injured, one critically in a two-car accident on U.S. 27, three miles north of M-55 in Roscommon county about 8:30 o'clock Sunday night.

Fatally injured was Mrs. Ethel Pratt, 71, of Alma, who died of a fractured neck, crushed ribs and a compound fracture of the right ankle.

In "critical" condition at Grayling Mercy Hospital is C. E. Pratt, 75, of Alma, husband of Mrs. Pratt, who suffered multiple fractured ribs, internal and chest injuries.

Also patients at the hospital are Donald Skuta, 18, of RFD 1, Pinconning, driver of the second car involved, who suffered lacerations, cuts and bruises; LuAnne LeMieux, 17, of Linwood, who sustained lacerations and loss of two upper front teeth; and Betty LeMieux, 19, of Linwood, who received a fractured jaw, lacerated chin and cuts and bruises. Both girls were passengers in Skuta's vehicle.

The mishap occurred when the car driven by Pratt, traveling east on Roscommon county road No. 300, drove across the highway and directly in front of Skuta's northbound car according to State Police of the Houghton Lake Post, who investigated.

Mrs. Pratt's body was taken to the Sorenson Funeral Home at Grayling.

Bowling Meeting Women's Association

A meeting of the Grayling Women's Bowling Association will be held Wednesday evening, August 25th, 8:00 P. M. in the old Legion Hall basement. All bowlers including new bowlers and sponsors are urged to attend.

Captains, please collect the 50 cent sanction fee from your team members as sanctions are to be paid at this meeting.

AWARD WINNERS—Gov. Williams pins the Gen. Sarawatt medal for military proficiency on Sgt. William J. Stancil, center, of Coldwater, at the Governor's review of Michigan's National Guard at Camp Grayling Saturday. At left, Capt. Russell B. Edwards, commanding officer of Co. B, 139th Infantry Regiment, National Guard, holds Sarawatt trophy for outstanding officer of his unit in 1953.

Michigan State College Planning 100th Birthday Party A Year Long

One of the world's most famous and oldest universities will celebrate its 100th birthday with a year-long party. Michigan State College will mark the occasion with a series of events beginning on Oct. 13, 1964, and continuing through 1965.

The celebration will include a variety of events, including a year-long series of lectures, seminars, and workshops. The college will also host a series of cultural events, including a year-long series of plays, musicals, and films.

There will be ample opportunity for students and faculty to participate in the celebration. The college will also host a series of events for the general public, including a year-long series of lectures, seminars, and workshops.

Along cultural lines, it is expected that the celebration will be a success. The college will also host a series of events for the general public, including a year-long series of lectures, seminars, and workshops.

SPORTS CORNER

This on' That
The first major league to be
three home runs in one game was
Adrian C. Pop, owner of the Chi-
cago Cubs, in 1914.

Steve O'Neill, manager of the Philadel-
phia Phillies, is one of four brother-
ers who played in the major
leagues. During the first half
of the current American League
campaign, less rookie pitchers
scored victories. Dean Smith of
Washington was the freshman lead-
er with a 3-1 record.

Walker
McDonald, third baseman with the
Cleveland Browns, owns a dairy
farm near his home town of Sway-
erville, Pa. Corky Valentine of
Chenault led National League
rookie pitchers for the first half
of the season with seven victories.
Five other rookies were in the
league.

Dick Williams, new of-
fensive end for the New York foot-
ball Giants, owns a summer coun-
try in Eugene, Oregon. The
first boxing match held at a major
league ball park was at Ebbets
Field, Brooklyn, May 28, 1915.
Stan Morley, All-American and
from Stanford University, signed
a pro football contract with the
Washington Redskins.

Engagement Announced
The entire program is controlled
by a Central Committee made
up of MSC administration people,
students, alumni and citizens.
It is headed up by Jim Danison,
executive assistant to President
John A. Harshbarger.
There are special sub-commit-
tees to plan for the anticipated
crowd. One for invitations, book-
ing and local awards and others
even traffic.

Bits O' Talk
Mrs. Olet Michelson of Detroit
arrived last week and spent 72
hours in the city. She is spend-
ing the rest of the summer at
her summer home on Lake
Marguerite.
Mr. and Mrs. Howard Sauter of
Detroit arrived August 8th and
plan on spending three weeks or
so in Grayling. Mr. Sauter is
recommending an emergency
appendectomy which he under-
went in Canada.
Mr. and Mrs. Kenneth Chase
and Mrs. Don of Detroit spent last
week in Grayling visiting friends
and relatives.
Mr. and Mrs. John Michelson of
Pacific Palisades, Calif., ar-
rived by plane Tuesday of last
week to spend two weeks with
his mother, Mrs. A. E. Michelson,
and his sister, Mrs. Andrew Wil-
son, and sons at the Michelson
cottage on Lake Marguerite.
Edna Gresham and her sister,
Susan, of Pacific Palisades, arrived
last week. Mrs. Gresham re-
turned to Grayling with them,
having completed her summer
vacation there.

Mrs. Lillian Dorence, Mrs. Leo
Lewy and daughter, Julia, Mrs.
Eugene Papadimitriou, Mrs. Byron
Randolph and Mrs. Oscar Goss
spent Wednesday of last week in
Grayling.
Mrs. Russell Carlton was hon-
ored for her birthday by the Jolly
13 Club members at the home of
Mr. Clarence Roberts on Wed-
nesday of last week. A salad and
birthday cake were served. Mrs.
Carlton was also presented with a
gift from the group. Mrs. Thomas
Robertson was a guest.

Charles Kable of Kalamazoo
arrived Tuesday of last week and
spent several days visiting the
McDonnell family and Albert
Kable family.
Mr. and Mrs. Harry Hoel spent
Tuesday to Thursday of last week
at their cottage at Lake Shore
Lakes near Ann Arbor.
Mr. and Mrs. James Hildebrand
of Ann Arbor left Sunday after
spending a few days visiting his
uncle, the W. O. Hildebrands of
Lake Marguerite.

Food And Gasoline

We have read much about Guatemala recently. As usual where Communism is involved, discord and revolution brought misery and loss to the common citizen. The country's economy was sagging badly after the anti-Communist government took over. An interesting commentary on the situation appeared in Newsweek which said, "Food and gasoline were short and inflation was depressing the quetzal."

It is rather startling to see gasoline bracketed with food. One does not ordinarily think of it as being so vital a necessity, and yet what would happen in the United States if the gasoline supply were shut off even for a few days? Confusion would be complete in cities and on the farm, and in many cases food would be unobtainable.

The United States can be thankful that it has the greatest systems of food and gasoline distribution in the world. The two can be rightly paired together as necessities.

ROOSTERS AND POLITICIANS

Did you ever notice people in public life who make you think of roosters in the act of flapping their wings and crowing? They both make a lot of noise, but don't say much.

The Atlantic City Press quotes an authority as saying that all you have to do to quiet the silence-splintering rooster is build a ceiling 12 to 18 inches high over the roost where the head of the flock rests at night. When the rooster raises his neck at the crack of dawn to shatter some delicate nervous system, he will give his head a smart rap on the board above his roost. This will so surprise him he will forget to crow.

It is too bad the plan outlined by the Press cannot be applied to many political figures—a ceiling on which they would crack their heads when arising to sound off like the rooster.

DISTRIBUTING THE WEALTH

No so many years ago it was a popular political

PLEASE!

A LOT OF US MAY NOT GET ANY MORE HELP BECAUSE THERE'S NO MORE MONEY LEFT IN THE MARCH OF DIMES!

YEAH—THAT'S BECAUSE THOUSANDS OF US GOT VACCINE AND GAMMA GLOBULIN SHOTS THIS YEAR

GIVE TO THE EMERGENCY MARCH OF DIMES—NOW!

pastime to lambaste corporations as a vehicle whereby a few stockholders robbed the masses. Fortunately for the stability of our country such charges are no longer popular because the facts show that millions of our citizens are the actual shareholders of the country's industries and strange as it may seem, people of moderate means own the bulk of the stock.

Hundreds of corporations are making it possible for their employees to acquire shares in the company for which they work. A good example is the Sun Oil Co., which announces that common stock comprising 141,601 shares, valued at more than \$10,600,000 passed into the hands of 7,906 Sun employees on June 30, upon liquidation of the company's 24th annual stock plan. To date, Sun employees, who total more than one-half of Sun stockholders own 1,088,473 shares through these plans, with an additional 438,351 shares currently credited to employees' accounts in unliquidated plans.

Thus do American workers become American capitalists and the owner of American industry. Therein lies the great differences between American private enterprise and socialism, under which latter scheme the individual owns nothing, figuratively speaking, but the clothes on his back, and he works for the state to get those.

In Grayling 23 Years Ago

Interesting Items of News Gathered From the Files of the Avalanche of 23 Years Ago.

August 20, 1931
Mr. and Mrs. Fred Alexander went to Interlochen for the concert last Sunday.

Mark Lewis of Flint spent Monday night with the Dr. C. B. Keyport family at Lake Margrethe. He left Tuesday morning for Newberry where he will visit relatives.

The Victor Petersen family of Gaylord are occupying a cottage on Lake Margrethe, while Mr. Petersen is managing the A & P store during the absence of Mr. Dawson.

Supervisor and Mrs. A. J. Nelson are happy over the arrival of a daughter born at Mercy Hospital Saturday evening. The little girl will be known as Marjorie Ann.

Dr. and Mrs. P. E. Behards, who are spending the summer at their cottage at Lake Margrethe are spending the week at their home in Toledo. They were accompanied by Mrs. Frank Sales, who is their guest.

Mrs. James Reynolds and son,

James and Mrs. Liland Smock and two children Jerry and Bobby drove to Twinning Saturday. They were accompanied home by Howard Smock, who has been visiting in Twinning for a few weeks.

The dance at the "Hay Loft" at George Skingley's Saturday night was enjoyed by a large crowd.

Misses Margrethe and Olga Nielson and their sister, Miss Anna of Grand Rapids, who is vacationing here, spent Sunday in Saginaw, on their return stopping

at Pinconning where they visited the Thomas Angers family, former old residents of Grayling.

Mr. and Mrs. D. W. Horning of Detroit are guests of Mr. and Mrs. Marius Hanson. They arrived Wednesday.

F. G. Lantz of Mt. Pleasant has purchased a tract of land from Clara Madden on the AuSable at Camp Cold Springs and has already begun the erection of a cottage.

To honor Lieut. and Mrs. R. E. Bates of Lansing, Mrs. Benjamin Jerome entertained with three tables of bridge Saturday evening. High scores were held by Mrs. A. J. Joseph, Dr. C. R. Keyport and Mrs. M. A. Bates.

The new highway on Michigan Avenue is completed and Grayling drivers are enjoying the new pavement very much. It looks as though it is going to be fine and last for a term of years.

Mr. and Mrs. Emory Cripps of Detroit are spending a few days here visiting the George Ciss family and other relatives and friends. Emory is a member of the Detroit police force.

Mr. and Mrs. Walter Cowell have returned from a pleasant vacation in Detroit and other places.

Miss Margaret Insley of Detroit is visiting at the home of her brother, Attorney Marius Insley and family.

Mr. and Mrs. E. Stillson Hart of Chicago were guests of Mr. and Mrs. H. W. Wolff over the week end.

46 Years Ago — August 20, 1908
George Alexander is improving his house with a new kind of shingles.

Mrs. Mary Vallard of Beaver Creek was thrown from her carriage and considerably bruised last Friday, though happily not seriously injured. Her team was frightened by an auto near her home, and became unmanageable.

Mr. and Mrs. H. Joseph have gone to New York City to select

ZENITH TELEVISION SALES AND SERVICE
IN THE SHOPPENAGONS INN BUILDING

Buick's biggest hit brings you a 3-way bonus

1. You get the car that's in step with tomorrow

From stem to stern, Buick today is styled a year ahead—with long, low glamor lines, with the very look of tomorrow, and with that broad panoramic windshield that many other cars won't have till 1955. Equally important, you get in Buick advanced V8 power, big room, luxurious comfort, the famed Million Dollar Ride—and all for prices that start just a few dollars above those of the so-called "low-price three." Is it any wonder, then, that Buick today is outselling all other cars in America except two of these "low-price three"?

2. You get the car that's a sure high resale value

Buicks have always had a high trade-in value. But the 1954 Buick has an extra advantage in its year-ahead styling. That means your Buick will stay well up in the style parade for years to come—will stay fresh and new-looking well into the future. So you're bound to be way ahead in actual dollars when trade-in time comes.

Come see for yourself why—

3. You get a bigger allowance from our volume business

Every month's sales figures this year have firmed this fact: Buick sales are soaring; Buick is outselling all other cars in the nation, regardless of price range, except two of the "low-price three." So with this tremendous volume, we can—and do—offer higher trade-in allowances. Come in, see and drive a new Buick—then check for yourself that our volume business really does mean a far bigger allowance for you.

Buick Sales are Soaring!

TIPS

"...I got it in the Want Ads—what's so unusual about that?"

Fire Destroys Garage At Manistee River Place

Fire completely destroyed a garage and damaged the shed at the Manistee River home of Mrs. George Talbot of Saginaw, Monday. The fire was discovered by Conservation Officer Forrest Annis at about 10 minutes to 6 p. m. as he was bound for home on US-27 south of Grayling.

He at first thought it was a train engine on the lake line but then thought there was too much smoke for that possibility. He returned to the Grayling Airport and spotted the fire from the air.

The Conservation Department equipment rushed to the scene but the garage was already destroyed. Quick work, however, saved a cabin north of Talbot's as the fire spread into the woods. The tool shed fire was also extinguished by the Department pump. There was no damage to the main lodge at Talbot's.

Cause of the fire has not been determined at this time. There were people at the lodge until 4 p. m. so it was felt that the blaze started at about 5:15 or 5:30.

Camp AuSable Nears End Of Summer Season

On Sunday, the fourth of July, while the rest of the nation was busily taking advantage of the holiday, 120 boys aged 12 to 16 joined them by heading for Camp AuSable, the Michigan Seventh-day Adventist youth camp, which is located near Grayling on Shell-enbarger Lake. They were the first group to arrive for the 1954 summer camp session, which closes August 29.

As the boys reached the immediate camp area they were surprised to see that another building had come to add to the beauty of the camp. This new structure is the Craft Building, where the campers may work on such projects as leather-craft, woodburning, painting and nature study.

Many a boy or girl when he returned home from camp this summer could proudly show his parents the real moccasins or nature scrapbook he had chosen to make himself from the wide range of projects provided.

Two of the most popular events in the week of activity were the canoe trip down the Ausable River and the overnight camping trip. Then, too, there was the Water Carnival on Friday afternoon. At this event the two huge "war" canoes were launched and teams vied to determine which was the speediest.

Each of these and the many inspirational camp fire gatherings were enjoyed by each of the four camps with a combined total attendance of approximately seven hundred boys and girls. A large group of senior youth is anticipated for the week of August 22 to 29 to enjoy the beauties of scenic Northern Michigan.

The Seventh-day Adventist Church members, not only in Michigan but all over the world, believe wholeheartedly in their children and youth as the leaders of tomorrow. As a result, numerous places like Camp AuSable have been established that these young people might be strengthened spiritually, physically, and mentally for this leadership.

A cordial invitation is extended to all who would like to visit the camp.

Oaks Family Enjoys 33rd Annual Reunion

The 33rd annual Oaks family reunion was held August 7th at Higgins Lake State Park. One hundred fourteen members of the family and guests were present. All enjoyed the day and the usual sumptuous pot luck dinner.

Lovells News

Every cabin, cottage and both hotels were filled over the week end with guests.

Mrs. Bessie Kellogg was very pleasantly surprised when all the members but three, with their families came home on her birthday and all enjoyed a picnic together. It was her 75th birthday. Many happy returns Bessie.

Bob Kellogg had his vacation last week and was home, while here he did work on his new house.

Mrs. J. Gould and her daughter also son-in-law, Mr. and Mrs. Howard DeLaMater and of course we mustn't neglect mentioning the new grandson, David, arriving spending the remainder of the month at her cabin.

Johnny Chriepok and nephew of Akron, Ohio are guests at the Douglas Hotel.

Johnny Chriepok, Edgar Douglas and Bill Chriepok went sight seeing Sunday. They made the trip to Canada and visited all the dams on the route, which is a very interesting trip. Also the Lumbermans monument.

We do wish to thank all who helped make the Silver Tea such a success and especially want to thank Miss Pochelon of the Benb Florist Shop for the lessons she gave on flower arrangements.

Also the beautiful flowers she brought with her. Certainly everyone enjoyed it equally as well as the nice tea the ladies put on in the Club room. A neat sum was netted in for the Chapel Fund, Thanks to all.

Mrs. Allie Page of Lansing was a guest of Mrs. Ruth Scott and Mrs. Ruth Caid last week. Mr. and Mrs. Page were the first caretakers of the High Banks lodge then owned by Mr. and Mrs. John Rust of Cleveland.

Plerson Spaulding is driving a new Ranch Wagon.

Mr. and Mrs. Fay Beutler of Roscommon and Mr. and Mrs. Lloyd Atkins were guests of Mr. and Mrs. John Beutler Saturday night. The evening was spent playing cards.

Mr. and Mrs. Bob Tenant and sons of Breckenridge were Sunday callers of Mr. and Mrs. Dewey Bonar.

Mr. and Mrs. Roy Griffin of Saginaw spent last Sunday night with Mr. and Mrs. Sam Sherwood.

Mr. and Mrs. Jack Minner and family spent Sunday in Mt. Pleasant with Mr. and Mrs. Joe Minner.

Mr. and Mrs. Sam Sherwood visited Mr. Vernon Fisher at the T. E. Sanitorium at Gaylord on Sunday.

TROUT LAW CHANGED

(Continued from Page 1)
about eight miles.

Little South branch of the Per. Marquette river, from Carlson bridge in northern Newaygo county, to the first bridge about 4.6 miles downstream from the county line bridge (well-known old townline 16).

Boardman river, Grand Traverse county, from the Forks Forest campground to Sheek's bridge about four miles.

A new section on the south branch of the Ausable, this time from Smith bridge to the mouth about 4.5 miles, where the regulation has been a 10-inch limit but with any kind of lure. This is in addition to the already-existing "flies only" stretch for more than 11 miles from Steckert bridge to Smith bridge.

A new section on the North branch of the Ausable, about 4.7 miles, this time from Kellogg's bridge to the south, all in Crawford county. This is in addition to the present "flies only" stretch of the North branch for six miles down from the Crawford county line.

In each of these cases, the minimum size limit is raised to 10 inches, except on the east branch of the Fox, where it will be nine inches.

Mercy Hospital News

Patients confined to Mercy Hospital are: Henry Gail, Marie Herrick, Holger Hanson, Bery Moore, George Petricha, Harry Souders, Rose Duley and Bertha Dannenburg of Grayling; Neal Albright, Charles Gnyon, Hans Hanson, John Jeanguenet and Harold Neuenfelt of Lewiston; Leonard Burke and Sgt. Decker-Moore Vows Announced

Mr. and Mrs. Charles W. Decker announce the marriage of their daughter, Dorothy Mae to James L. Moore, son of Mr. and Mrs. Floyd Moore. The young couple and their parents are all of Grayling.

The double ring ceremony was performed July 24th at 4:30 P. M. by the Rev. George W. Rogers in Sumnerville, Mich.

The bride wore a blue taffeta street length dress, trimmed with white lace. Her only attendant was Miss Moore of Dowagiac. Mrs. William Moore of Dowagiac wore a white figured nylon street dress. Mrs. Moore is a sister-in-law of the groom. The groom's attendant was his brother, William Moore.

Following the ceremony a reception was held for the immediate members of the families. A date wedding cake and ice cream were served.

For their wedding trip, the couple spent some time in South-east Michigan before returning to Grayling. They are at home to their friends in an apartment above the Grayling Restaurant.

Mrs. Moore is a 1952 graduate of Grayling High School.

Grayling Legion Auxiliary Wins Trophies, Awards

The Grayling American Legion auxiliary won two trophies and three cash awards recently at the Michigan Auxiliary convention held in Grand Rapids.

The trophies and awards were all for membership. The Grayling unit's quota for the year 1953-54 was 47 members and its membership stands at 85.

The two trophies awarded were the Esther V. McCoy cup for the highest percentage of increase over the previous year membership 30 days prior to the convention. Grayling won with 180 percent.

The Doyle cup for having the highest percentage of quota as of April 16 was won by Grayling with its 127 percent.

The three cash awards, worth all \$10 apiece, they were awarded for the unit having the highest percentage of quota as of the following dates: Jan. 31; April 1, and June 22. Grayling's quotas were 170 percent, 172 percent, and 180 percent respectively.

The Grayling unit also received the department president's citation and the national president's citation, both for membership.

Mrs. Leo Jorgenson, president of the Grayling unit, attended the convention.

BITS O' TALK

Miss Jane Brush spent the week end in Bay City and Saginaw and visited her sister, Miss Meredene.

Mr. and Mrs. Jerome Kessler drove their son, Tommy, to Grand Rapids August 3rd where he underwent surgery in Butterworth Hospital. Mrs. Kessler remained in Grand Rapids with him and is staying with her aunt, Mr. and Mrs. Richard Bierens. Tommy is expected to be dismissed any time now.

Mr. and Mrs. William Moshier were in Saginaw, Wednesday of last week to attend the showing of the new Philco Television at the J. George Fischer Building.

Miss Christine Sales returned home Tuesday after spending a few days visiting Miss Jan Hoelzer of Flint. They spent Monday in Birmingham.

Get your Hobby supplies at Don's Radio Shop. We have Model planes, wood, plastic and gas models. Wood and plastic cars. Balsa wood cement, dope. Come in and look them over.

Mr. and Mrs. Harry Chick and daughter, Janet of Detroit left Friday, August 6th after spending the week with Mr. and Mrs. Robert Mott. While here they also visited her aunt, Mr. and Mrs. Johnny LaMotte.

Mr. and Mrs. M. C. Spaulding of Perry left last Friday after spending the week with Mr. and Mrs. Dale Pettengill. Their daughter, Janet, who was staying with the Pettengills, returned home with them. Mr. E. P. Pettengill of Perry arrived Friday to spend a few days with his son, the Pettengills.

Mr. and Mrs. Clifford Babbitt of Flint visited their parents, Mr. and Mrs. Howard Bunker last weekend. They were here to take their son, Tony home. He spent two weeks with the Bunker family.

SCIENCE and your Health

HAY FEVER SEASON By Science Features

In the 16th century a poet said: "What's one man's poison... is another's meat or drink." That still holds true. The breath of sweet summer air, the pure pleasure for some people but others who suffer from hay fever dread the scent of flowers and grass for the discomfort it foretells.
Hay fever is caused by an allergy to plant pollens that are carried in the air. Fall hay fever, the most common type, lasts from August until early winter, and is due to ragweed, Sping and summer pollen, dust, feathers, and other particles also bother many of the susceptible.
Weepy, burning eyes and a stuffed-up, running nose are the symptoms of this allergy. Severe cases also suffer from lack of sleep, loss of appetite and possibly infection.
There are several treatments which give partial relief. A series of injections may somewhat desensitize the person to pollen. Various anti-histamine drugs, though not a cure, may relieve some symptoms during an attack. A new aid are the hydrotone pure pleasure as Cortril. Recently, a Brooklyn N. Y. doctor reported that "of ten ragweed hay fever patients, 7 obtained excellent relief; 2, marked relief and 1, moderate relief," by taking oral doses of this hormone.
Since hay fever sufferers are unavoidably aware of their malady, they also take other precautions to ease the ill effects, such as going to pollen-free areas when possible, using a kind of filter mask at night and keeping in good physical condition.

SUPPOSE IT IS TRUE AFTER ALL?

Two friends were discussing the question of punishment for sin in a future life. They settled to their own satisfaction that there was none. They decided that hell was a myth. They agreed that God, being a God of love, could not consign his creatures to everlasting punishment. Then a Christian who had been listening silently to the discussion said:

"Suppose it is true, after all?"

The words seemed to fall on the ears of the two with crushing force. The power of God seemed behind them, as it ever is behind the truth. God had spoken.

Suppose it is true after all that God must punish sin? How would you fare before the Judge?

Suppose it is true after all that hell is a reality, and that "it is appointed unto man once to die, but after this the judgment?" What lies at the end of the path you are now treading?

Suppose it is true after all that the Lord Jesus is the only Saviour? What if you neglect Him? "How shall we escape if we neglect so great salvation?"

God hates your sin, but He loves you. He loves you so much that He sent from heaven His sinless Son, Jesus Christ, to die under God's wrath against your sin. As the Bible says it, "God so loved the world that He gave His only begotten Son, that whosoever believeth in Him should not perish but have everlasting life." Our sins were laid on Him.

Tell God you want to be included among those for whom Christ suffered; that you do accept Him as your Saviour—the One who suffered in your place. Jesus said, "Him that cometh unto me I will in no wise cast out." There is no problem in your life too great for Him to solve if you will let Him. "Come unto me," He said, "and I will give you rest."

Calvary Baptist Church

Hollie M. Luter, Pastor Grayling

CITIZENS OF TOMORROW

Six Grayling young men make up this week's picture in the Avalanche's current series of Crawford County future citizens. Pictured above in the top row from left to right are Jimmy, 1, son of the James Hatfield; Thomas, 5, and Billy, 1, sons of the Howard Hatfield. In the bottom row from left to right are pictured: David, 5, Dale, 8 months and Steven, 3, all sons of the Melvin Nielsons.

BITS O' TALK

On Wednesday afternoon of last week a get acquainted party was held for Julia Lerchen, daughter of Mr. and Mrs. J. E. Lerchen of Indianapolis at the W. O. Hildebrand cottage at Lake Margrethe. There were nine youngsters and their mothers, who were girlhood friends. They were: Mrs. Don Koepfgen and Janet and Susan, Mrs. Robert Carr and Mary Elizabeth of Cleveland, Mrs. Robert Welsh and Jane, Mrs. Tom Welsh and Tommy, Mrs. John Alet and Johnny, Mrs. R. N. Williams and Jimmy and Mrs. Jane Norris and Sarah of Fostoria, Ohio. Tea and cookies were served.

Mr. and Mrs. A. J. Siciliano and children of Arlington, Virginia left Monday for home after spending a month with her parents, Mr. and Mrs. E. S. Hanson of Lake Margrethe. The Hansons drove them to Freehold, where they left by plane.

Mrs. Eugene Papendick and Mr. and Mrs. Frank May were in Willow Run last Thursday to bring Sgt. Victor Papendick, home. Victor, who is a civilian now, spent 22 months in Germany and 14 months in England and this is his first visit home in three years. He is the son of Mr. and Mrs. Eugene Papendick.

A. D. Richard Saunders, who was stationed at Moffitt Field, California, arrived home last Thursday. Dick has received his discharge from the Navy and is here to spend some time with his parents, the Harts. Saunders, Miss Shirley Saunders of Harper, hospital arrived Friday to spend four days with her parents. Her guest, Robert Knutilla of Houghton spent the week end with the Saunders.

Mrs. Angus Macaulay and daughter, Karen returned to Grayling Tuesday of last week after spending a month visiting relatives in Standish, Bay City, Lansing and Grand Rapids. Her son, Mr. and Mrs. Bruce Macaulay of Standish brought them home. The Toni Madsen celebrated her 9th birthday last Thursday, August 12th with a party and show afterward. Favors were given to the children. Those who were there were Linda and Karen Madsen of Gaylord, Carmen and Janet Madsen, Billy Heath and brother Dane.

The Lewis Stillwagon family is building a cottage at Lake Margrethe. Linda and Karen Madsen of Gaylord left Wednesday after spending a week with their uncle Mr. and Mrs. Norman Madsen and family.

Mr. and Mrs. Russell Scholtens and daughter Becky of Ionia spent the weekend of August 7th with her parents, Mr. and Mrs. Menno Corwin. Becky remained with her grandparents and is spending two weeks.

Miss Josephine Nichols of Muskegon Heights arrived last week end to spend a few days with Mr. and Mrs. Marjorie Hanson. Miss Nichols is a former Grayling teacher.

Gen. and Mrs. R. A. Loveland and daughter, Ellie of Ann Arbor spent the weekend at the Conservation Camp at Higgins Lake. They were here to attend the Governor's Ball and other Guard affairs.

Cottage owners, Wilsons have all famous lines of Pine, Maple, Cherry and Rattan furniture. You will find a complete selection of porch and lawn furniture, everything for furnishing the cottage, cabin or home.

MICHIGAN ELK ON DISPLAY
Tourists to the north central part of Michigan's lower peninsula—especially those who take a few side roads around the town of Vanderbilt and east—may get to see a sample of Michigan's growing elk herd. Few people realize that Michigan now boasts the largest elk herd east of the Mississippi—a herd that may now number close to 400 animals.

500 Square Mile Area
The elk range in Michigan is bounded on the west by US-27, on the north by M-23, M-33 on the east, and on the south by M-32—an area of about 500 square miles. Much of this is the so-called "Pigeon River country," wild lands with many open valleys and low hills covered with second growth hardwood. This makes an ideal combination of cover for our elk.

At one time, way back in the Indian days, Michigan's elk herd numbered in the many thousands in all probability. The Shawnee tribe told of hunting these big animals for food and hides. Even today huge antlers are found buried in the muck of Antrim and Gladwin counties. And the range is expected to have extended south over the Thumb area, too.

Elk Grazing Animals
Primarily a grazing animal in the summer and fall while they're

ranging the green valleys in search of succulent grasses, elk find it impossible to paw thru the heavy snows of Michigan in the winter and turn to stripping bark from trees. Maple and basswood are favorites. Stripping is done by gouging deeply into the tree with an upward thrust of powerful teeth, and many landowners in Michigan's elk range complain of severe damage to trees by the foraging animals.

Rarely In Heavy Cover
Unlike our white tailed deer, the Michigan elk is rarely found in swamp cover, preferring the open, grassy valleys. Vacationists often report spotting cow elk with calves close by at this season of the year, and the animals have no great fear of man. It is possible to approach close enough for a snapshot occasionally.

Protected Throughout State
While you may see a dozen or more in a herd it is no indication of a large population of elk in this State. Since their release in 1918 when they were imported from Wyoming, the herd grew slowly to its present size at which point limited range seems to have leveled the numbers. It is unlikely that we'll ever have an open season on elk—but they make an interesting addition to animal life in our Michigan Outdoors.

Which low-priced car is lowest priced?

The actual cost of a car to you is the difference between what you pay for it and what it brings you when you sell it.

The real cost of a car to you is the difference between what you buy it for and what you sell it for.

A Ford costs you less to own because it's priced low to start with and it returns more of its original cost when sold than does any other competitive car. Statistics prove it.

It returns more because it's worth more.

Yes, Ford delivers more car, too. It's the only car in its field with a 130-h.p. Y-block V-8 or a new 115-h.p. I-block Six... new Ball-Joint Front Suspension... such modern interiors and exteriors. And Ford is also first for choice—with 28 models in 3 great lines.

Take a Test Drive
and you'll want to drive it home!

Protection in a checking account, too

"I've heard a lot of talk lately about bank deposits being insured by the Federal Deposit Insurance Corporation. It just dawned on me the other day that my checking account as well as my savings account gets this protection." Each depositor is insured up to \$10,000 for all deposits held in the same right and capacity (for any kind of deposits). We and other insured banks pay the full cost of this insurance. Open your checking account here.

Betrothal Told

Announcement is made of the engagement of Miss Shirley Kolka daughter of the late Mr. and Mrs. Joseph Kolka of Grayling, to Mr. James Devine, son of Mr. and Mrs. William Devine of 1925 Jackson Avenue, Ann Arbor.

The wedding will take place on October 23rd.

MICHIGAN GUARD

(Continued from Page 1)

from Grand Rapids, where he had attended the Democratic state convention.

Sgt. 1/c William J. Stancell, of Coldwater, was presented the Brig. Gen. Earl R. Stewart medal as the most proficient guardsman in camp. He also was given the Veterans of Foreign Wars citizenship medal.

Co. D of Holland was given the Eisenhower trophy for keeping its unit at top strength during the year.

The Governor after spending the night at Camp Grayling with the troops spoke at the traditional memorial services held on Division Hill on Sunday morning.

It was the Governor's sixth visit to the large Guard base which was policed by the 19th Infantry. He was greeted by a 19-gun salute fired by the 943rd Artillery Battalion before the Division with battle flags flying passed in review.

The largest crowd in many years witnessed the review with estimates running well over the 15,000 mark.

On Saturday evening, the Governor and Mrs. Williams were guests at a reception and dance at the Officer's Club in their honor.

COUNTY NEWS

Brownie Scout News

Our one year party was held at Sportsmen's Hall on Tuesday, August 19. The hall was decorated with pretty colored balloons. The Brownies dressed as little women, who attended were Margaret Madill, Bonnie Mertes, Glenna Welsh, Shirley Portello, Bonnie Pratt, Mary B. Lodge, Maria Sue Weaver, two former Brownies, Donna Barber and Judy Kimball along with prospective Brownies, Janice Johnson, Patsy Henion, Gale Matson, Lana Jungman, Zandra and Linda Lou Hopkin, with Bonnie Kimball, David Henion and Dicky Nugent as visitors, all representing little women.

Mrs. Paul Henion, former leader but now assistant leader, Mrs. Carl Johnson, assistant leader, Mrs. Harold Mertes, president of Scout Council were present. Mrs. Carl Olson and Mrs. John Turner served cake and punch.

Mrs. Mertes presented the following girls with their one year addition pins. Those who received them were Margaret Madill, Bonnie Mertes, Glenna Welsh, Shirley Portello, Bonnie Pratt, Mary B. Lodge, Donna Barber, Judy Kimball, Mrs. Brown, Mary Jane Howard, who was unable to attend, also received a pin.

The big game was "Grab a Bag" with each one ending up with a bag and small gift.

Mrs. Turner judged the "Little Women" and after much consideration, Bonnie Pratt, was chosen to receive the prize.

The first Brownie Scout meeting was held on May 28, 1953, organized and enrolled by Mrs. Paul Henion, who had charge until Sept. 22, 1953, when Mrs. Raymond Brown took over. The Brownies have learned Brownie Promise, Salute, Motto, and Slogan, Greeting Sign, Girl Scout Handshake, the names of birds, flowers and trees also the use of

a compass and pocket knife.

Several projects have been completed by them consisting of a scrap book, which in turn was sent to the Shelton Home, 16 sock dolls were made and a box was packed for the Rescue Mission of Saginaw with 43 items at Christmas teaching "it is more blessed to give than to receive". Sixteen Easter purses were made which were kept for their own. At present they are working on a state flower quilt and tea towels for this Christmas project.

Eleven out of door hikes were enjoyed by the Brownies as well as the four parties on special occasions. They have had lessons on making beds, washing windows, baking muffins and cookies, preparing an Easter salad and a pineapple pudding.

It sure has been a year full of joy for the Brownies and the lessons helpful. Most of all they have learned to get along together with groups and how to serve God in a better way.

Mr. and Mrs. Dennis Perkins of Auburn Heights, Mich., stopped at the George Hortons over the week end on their way to the Copper country.

Mrs. Jack Bigham and Mr. and Mrs. Linda, attended the Harmer reunion Saturday at Lake Orion. They were week end guests of Kate's son and wife, the John Harmer of Flint.

Dale Appleford of Ludington stopped off at the Tom Howards Monday on his way to Cheboygan. Dale worked for Tom the past Spring when he was employed at Pt. Huron.

Mrs. Ace Leng spent the week end with Mr. Leng at Traverse City.

Mrs. Maude Shorts spent a few days last week at Mercy Hospital. Arvie Cox of Walled Lake spent the week end at this home here.

Mr. and Mrs. Gene Harmer

and family left Friday to attend the Harmer reunion Saturday at Lake Orion, Mich. They plan to visit relatives in Detroit and Toledo, Ohio. Their son, Mike, has been visiting his grandparents the Emery Krafts at Detroit.

Mr. and Mrs. Clayton Strawn and Mrs. and Mrs. Anderson and friends of Wheeler were week end guests at the Orlov Strawn cabin here.

Mr. and Mrs. Norris Reed of their cabin. They also visited the sister, the Fred Dunckley's.

Skipper Abramson of Detroit arrived Saturday to spend a few days with his aunt, Mrs. Mary Sadjak.

Mr. and Mrs. Robert Wever are rejoicing over the arrival of their daughter, who answers to the name of Renee Marie.

The box social put on by the Frederic and Maple Forest Sportsmen Club Saturday night was a huge success.

Mrs. Catherine Skora and Granddaughters, Shirley and Christine Stock of Detroit arrived last Tuesday to spend a few days with Mrs. Skora's daughter, Mrs. Mary Sadjak and Clem. Mrs. Skora returned to her home on Monday of this week.

Tom Howard returned home after a 10 day stay at Mercy Hospital in Grayling.

BIDS WANTED

Two cars wanted to transport pupils from West end District No. 3 to Feldhauser school. One car for East end. Consult base as to route and number of pupils. Also bid for driver of the big bus from District No. 3 to Grayling August 27th. Bids must be in accept or reject any or all bids. A. J. Wakeley, Director.

"EASY DOES IT"

BY HELEN HALE

IT'S easy to add decorative touches to your rooms if you use imagination. Here are some ideas with which to start off:

An old hat rack can be painted white or pastel and makes a wonderful display for party favors, hats, beach bags, scarves, ties or umbrellas.

Do you have a collection? Miniature animals, tiny dishes, dollhouse furniture or other knick-knacks show off well in shadow boxes.

Easiest way to make a dressing table is to take two orange crates and smooth off rough edges with sandpaper. Stand on ends and use a board or piece of plywood the

RECIPE OF THE WEEK

Tangerine Velvet (Serve 6)

1 can frozen concentrated tangerine juice.

1 cup heavy cream, whipped

1/4 cup sugar

Defrost fruit juice to a mushy consistency. Add sugar to whipped cream and mix with fruit juice. Continue beating until fluffy. Pour into a freezing tray and freeze rapidly until firm. Serve in scoops like ice cream.

same width as the ends of the crates as a table top. Paint in a pretty pastel or cover with a skirt made from tinted muslin or old curtains.

Make tie-backs for ruffled curtains of wide ribbon, letting the ends flutter to the floor. Tuck small artificial flowers in the knots for a pretty effect.

Fill narrow wall spaces with vertical rows of pictures in identical frames. Wax these to a nice satin polish for an expensive look.

Make a bookcase for books or record albums out of boards and bricks. Shelves can be painted to match room color and bricks can be painted white to bring out their texture.

Mackinac Bridge Building Creates Huge Orders

Orders totalling almost \$4-million have been placed to date with Michigan suppliers by Merritt-Chapman & Scott Corporation in connection with construction of the Mackinac Bridge foundation.

Merritt-Chapman & Scott, which is building the substructure of the bridge, under a \$25,735,000 contract, points out that these orders for materials, equipment and special fabrications are completely apart from the company's project payroll, now averaging approximately \$100,000 per week.

"We are extremely pleased that so much business has been placed in Michigan," said Prentiss M. Brown, Chairman of the Authority. "The contractor has been awarded a lump sum price to do the job and it is entirely within his discretion where he gets his services and supplies so long as he maintains the high standards and specifications established by the State Highway Department. There is tremendous activity in the Straits area but one need only travel to Alpena, Bay City, Mt. Pleasant and Petosky to name a

few of the cities where the wheels of industry are humming on Mackinac Bridge caissons, anchorages, steel framework, cement, fuel oil and many other products that go into bridge building."

It is Merritt-Chapman & Scott policy, according to William Denney, executive vice-president and general manager, to deal with regional suppliers whenever their prices are competitive and their products and services meet the rigid requirements specified for the project.

No. 2002 is out in sizes 10, 12, 14, 16, 18, 20. Blue 15. Hat and cap, 2.00.

No. 2780 is out in sizes 10, 12, 14, 16, 18, 20. In any of its sizes, only one yard of 54-inch fabric!

No. 310, Irish Roses in Crochets. Complete crocheting directions, actual size detail, finishing instructions included. \$1.00 for 100 Crochets with name, address, style number and size to AUBREY LANE BUREAU, Box 509, Madison Square Station, New York, New York.

THE FALL-WINTER BOOK with scores of other styles, 50c extra.

New Blue Sunoco FIRST CHOICE Of Auto Engineers

92% SAY IT EQUALS OR EXCELS ALL OTHER GASOLINES

42% ALREADY BLUE SUNOCO USERS

1,042 automotive engineers tried the New Blue Sunoco in their own cars... compared it with other gasolines.

Of those who had formerly used premium-priced gasolines, 95% report New Blue Sunoco equals or excels those premium-priced gasolines for over-all performance. Yet New Blue Sunoco still sells at regular gas price.

FOLLOWING the introduction of New Blue Sunoco, we invited a large group of automotive engineers to try this new gasoline in their own cars. Of the original 1,384 who tried New Blue Sunoco, we received answers from 1,042.

anti-knock performance. These engineers are specialists on everything from spark plugs to high compression engines.

42% already users of Blue Sunoco

We were pleased that 42% of the engineers who answered our request for their opinions reported they were already users of Blue Sunoco. This was a far greater number than reported using all other premium gasolines combined.

High-Test at regular gas price

Sun Oil Company produces only one grade of gasoline. This policy saves on storage tanks, trucks, pumps. These savings are invested in research and now, improved refining processes which enable us to produce a gasoline with high anti-knock power especially designed for high compression engines, and sell it at regular gas price.

Follow the lead of automotive engineers, the men who know most about cars — use New Blue Sunoco in your car.

America's Greatest Gasoline Value

High-Test...Premium Quality

At Regular Gas Price
